Description of The Data

Bars & Breweries of Burlington (BBB)

We would like to provide an extensive list and review of the different bars and breweries in Burlington.

The overview detail interface will include the following:

- Large square picture (like a widget) of the establishment
- Name of the establishment
- Whether it is a bar or brewery

The detail interface will include the following:

- Picture of establishment
- Name of establishment
- Address of establishment
- Personal rating
- “Best for” award
- Short description
- Category ratings: price range, music, dancing, drinks quality and friendliness
- Stretch goal: A map with a pin of the location of the establishment
